YOUTH MOTO MANIA 2026 - Presented by FOX Racing

Youth Moto Mania, presented by FOX Racing, returns to Southern California's Pala Raceway for three days built around the future of motocross.

Youth racers and their families will take over a one-of-a-kind track created specifically for Youth Moto Mania, featuring structured classes, competitive racing, and **15-minute motos designed to maximize track time and deliver a TRUE CHAMPIONSHIP RACING EXPERIENCE.**

For 2026, Youth Moto Mania gets even bigger. **Molden Works** will bring the racing **LIVE** with multi-camera coverage throughout the weekend, connecting families, fans, and the motocross industry to the action beyond the racetrack.

The weekend also connects racing with a bigger purpose through **Revelyst Day in partnership with FOX Racing**. Revelyst's annual company-wide day of service brings employees together to give back to the communities where they live, work, and enjoy the outdoors. This year's mission fits Youth Moto Mania perfectly: helping more kids get outside, experience outdoor recreation, build confidence, and create a lifelong connection to being active.

Prospect Powered by VurbMoto brings the racing experience together in one platform - from live timing, results, rider rankings, analytics, tracks, and more. At Youth Moto Mania, **Class Champion will earn the Prospect ELITE #1 Plate**, recognizing the next generation of Pro-Prospects making their mark.

Beyond the track, the **Moto Mall** (vendor alley) will bring together leading motocross and aftermarket brands, giving families the opportunity to experience new products, connect directly with the industry, and find great deals on parts, accessories, and gear. Food, activities, and interactive brand activations will round out the three-day experience and keep the energy going beyond the racing.

Youth Moto Mania is more than a race weekend. It's where racing, industry, community, education, and opportunity come together for three days dedicated to celebrating - and building - the Future Stars of motocross.

Join us in supporting **Youth Racing** and cheering on the next generation of **Future Stars!**
